To Gift of Life International  
Philadelphia PA – USA

Dear Sir

Thank You very much for supporting financially and technically the open heart surgeries in Chennai since 2007 for underprivileged children and we hope this project will continue in the future. During the past several visits of Dr. Russo, Fortis Malar Hospital got benefit from suggestions by Dr. Russo and his team for improving the quality of care for those children who underwent Complex repair of heart disease. So far more than 50 children suffering from Complex Congenital Heart Disease have benefited from this cooperation with Gift of Life and Fortis Malar Hospital. Also we acknowledge the donation of two centrifugal pumps which are being regularly utilized for our ECMO and ventricular assist device programme. We also thank Gift of Life International, for selecting our hospital for Gift of Life inspite of several requests from other hospitals. We look forward to continuous cooperation.

We thank you very much on behalf of those patients who benefited and on behalf of whole cardiac team involved in taking care of children.

Yours Sincerely

Dr. Sajan Nair

Medical Director

Fortis Malar Hospital

Adyar, Chennai
